RELEASED IN FULL

Mr. Philip J. Hiltz, Author,  
C/O Reader's Digest.

Dear Sir: --

Your article: - "Where Is This Country?" has been noted in Reader's Digest. Our Country; THE KINGDOM OF APHRODITE is older than any you mention, having been founded in 1965 - - but because of strict security has avoided publicity. However if you would be interested in writing an article about same in the future, it can be arranged to supply you with some information. We had withheld such until we set up a Radio Station in operation.

Sincerely,

A handwritten signature in dark ink, appearing to be "KING JAMES I", with a large, stylized flourish extending from the end of the signature.
